Welcome to Chuan Yao. Our mission is to produce world class design office chair components, a leader in our primary product lines: PP,PU,PA6 casters.

We've been in operation since 1994. With headquarters in Taiwan, CY owns and operates production plants.

We bring life to our vision by constantly rededicating ourselves to innovation, a culture that reinforces our progressive attitude towards our customers and employees, and most of all – by producing solid, top-crafted products. In contrast to our vast history ,we still consider ourselves a new and evolving company, consistently expanding into available worldwide markets.
